Re: *United States v. Martin Perez*, 21 Cr. 599 (ALC)

Dear Judge Carter:

I write on consent (Assistant U.S. Attorney Alexander Li) to respectfully request that the Court extend the deadline for simultaneous sentencing submissions to May 4, 2023, or adjourn sentencing to the week of May 15, 2023, or to another date convenient for the Court.

By Order dated March 24, 2023, the Court adjourned sentencing to May 9, 2023. *See* Dkt. No. 87. I am still working on the sentencing submission, and asked the Government for its consent to adjourn sentencing by one week. The Government indicated that there may be victims seeking to attend the sentencing, and so its preference would be to keep the same sentencing date with an extended submission deadline; the Government indicated it would also be able appear during the week of May 15, 2023, other than on May 17, 2023.

Thank you for your consideration of this request.

Respectfully submitted,
